

# Bell Work: Exhibit Curator

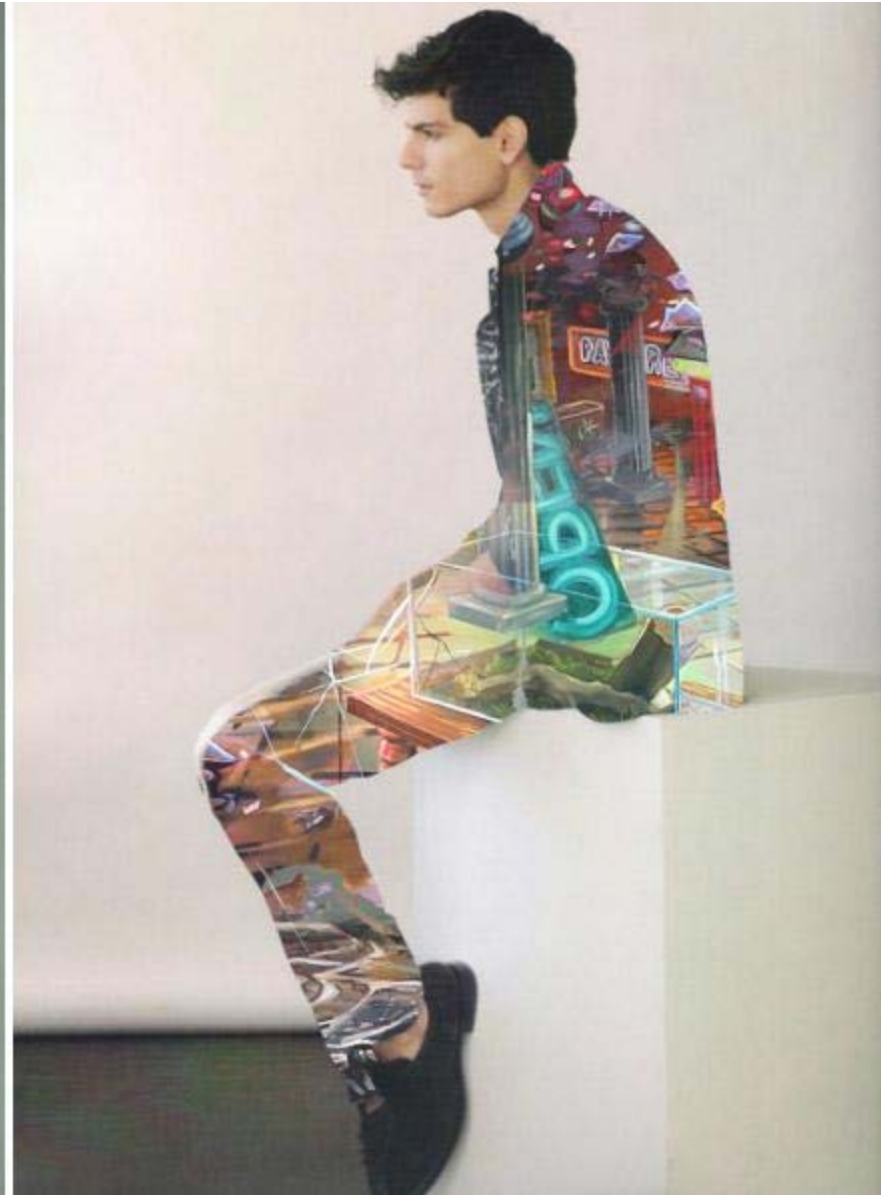

You are the curator of an art exhibit at the UMFA. You are responsible for selecting which artworks make the annual collage show. The following artworks included in this Power Point have been submitted for consideration. The museum director has requested that all accepted works meet the criteria below.

Evaluate artworks A-Z according to the following criteria:

1. The artist covered the page
2. The artist created a new holistic image
3. The artist uses contrast to create emphasis
4. The artist successfully expresses an opinion

Which works will be accepted? Which works will not? List the criteria (1-4) that unaccepted works do not meet.

# Self Assessment

Now evaluate your collage according to the same requirements:

1. The artist covered the entire surface of the page
2. The artist created a new holistic image
3. The artist successfully expresses an opinion
4. The artist uses contrast to create emphasis

Will your collage make the show?
